

## Product Specification

Product No.: A010090

Product Name: 4-Methoxyphenylacetic acid ,99%

CAS : 104-01-8

| Item              | Specification                      |
|-------------------|------------------------------------|
| Color and form    | White to pale yellow to grey solid |
| GC                | 99.0%                              |
| Melting point     | 81-89                              |
| <sup>1</sup> HNMR | Consistent with the structure      |
| Water             | 2.0%                               |
