

# Product Specification

Product No.: A16426

Product Name: Bioglass 45s ,D50:80-150 μ m,98%

CAS :

| Item           | Specification                       |
|----------------|-------------------------------------|
| Color and form | White crystals/(crystalline) powder |
| Purity         | ≥98%                                |
| D50            | 80-150 μ m                          |
| Pb             | ≤30ppm                              |
| As             | ≤3ppm                               |
| Cd             | ≤5ppm                               |
| Hg             | ≤5ppm                               |
