

# Product Specification

Product No.: A67656

Product Name: Bismuth potassium iodide ,99.95% (metals basis)

CAS : 41944-01-8

| Item           | Specification            |
|----------------|--------------------------|
| Color and form | Red (crystalline) powder |
| Purity         | ≥99.95%                  |
| Zn             | /                        |
| Ag             | /                        |
| Cu             | /                        |
| Ca             | /                        |
| Al             | /                        |
