

## Product Specification

Product No.: D12000071

Product Name: Polyethylene glycol monostearate ,SG-10

CAS : 9004-99-3

| Item                     | Specification                                              |
|--------------------------|------------------------------------------------------------|
| Color and form           | White to off-white to light yellow low melting point solid |
| Average molecular weight | SG-10                                                      |
| color and lustre         | ≤ 40# (Pt-Co)                                              |
| PH                       | 5.0-7.0                                                    |
| Saponification value     | 75-85 mgKOH/g                                              |
